PAYER GUIDE

The Student’s Guide to International Payments with peerTransfer
**STEP 1: GET STARTED**

- Use the search box to select your school & click the green Get Started button.
STEP 2: ENTER PAYMENT AMOUNT

- Enter the exact payment amount you owe and your home country.

Payment

- In United States Dollars, the amount you want Sample University to receive.

$25,000.00

- What country are you paying from?

Spain

The benefits of paying through peerTransfer

- Eliminate hidden bank fees - ensure Sample University receives the correct amount.
- Save on exchange rates - in most cases you can make a payment in your home currency.
- Peace of mind - payment tracking and 24x7 multilingual customer support.
STEP 3: SELECT PAYMENT TYPE

Based on your country selection peerTransfer will automatically display your local currency rate with the appropriate payment options, such as traditional bank transfer or debit/credit card payment.

- Traditional bank transfer (also known as a wire) is the most cost effective method. Please note that to complete the payment you will need to make arrangements with your bank (in-person, online, or over the phone) and send your funds to peerTransfer in your chosen currency.

- Debit/credit card will allow you to make an online payment in your home currency. Contrary to a traditional international credit card payment, with peerTransfer we are handling the foreign exchange so you will know the exact amount that will be deducted from your account before making your payment. Please note that credit card payments are not available in every country.

- peerTransfer will then convert your currency and pay your institution.

- If you have an account in a different currency that you would prefer to use, select that country in the “what country are you paying from” field instead.

- If you select your home country, but you don’t see your home currency, not to worry – you can always pay in the currency of your institution or select a different currency. The process and benefits will remain the same, however, your bank will handle the foreign exchange before sending the funds to peerTransfer.

- You can enter your mobile phone at the prompt if you would like to receive payment status updates via text. If you do not want to receive text updates click the no thank you link.

- For a bank transfer we recommend that you print the instructions to bring with you to the bank when you make your payment. This will make the process clearer for you and the bank. Please make sure to include your peerTransfer payment ID in the details of your bank transfer.

- IMPORTANT: Your payment ID is only valid for this payment. Every payment requires a unique peerTransfer payment ID. This facilitates the payment tracking process.
